

Walks Co-ordinator's Report *(Sue Trimmer and Sian Williams)*

This year has seen a great deal of work carried on in the background to update our systems to migrate to the new Ramblers website. This has taken up a lot of time for Sian and myself together with the walk leaders, as with any new system there were a number of teething problems most of which have been overcome. Although we have been able to offer four walks most weeks the number of walks this year is slightly down the previous year. We do need to increase the number of leaders if we are to continue offering four walks a week along with our Coach Walks.
